Dear Mr. Deaver:

We were delighted to hear that you are familiar with Oxford House and will be able to assist us.

Enclosed is the material that George Simpich said we would send to you. It will give you a better idea of what we have been doing for 12 years and why we want to expand in an organized way. It is up to date except for a new house we are opening this week near Wisconsin and Massachusetts Avenues NW which will house 12 recovering alcoholics.

Please let us know if there is anything else we should send you at this point. Thank you for your help.

Sincerely yours,

John V. O'Neill
